# RESUME

[SOFTWARE DEVELOPER] [JOYREN TERKEN]

Hello, and thank you for taking the time to review my resume. I'm Joyren, and I'm about to begin my studies in Applied Data Science and Artificial Intelligence. I am particularly interested in developing and training AI systems to automate tasks. In addition, I have a strong background in web development and UI/UX design, complemented by experience in the catering industry.

## WORK EXPERIENCE

DELIFRANCE 2021-2023  
—> Allround employee  
Bartender and waitress, to organizing. I was always happy to help customers and provide them solid service.

KROMME TOETER 2019-2021  
—> Waitress  
Terras/club, I worked alot of nighshifts till 4 as well. Here too always trying to provide good service.

ZUYD DI-LAB 2024-2024  
—> Intern  
Solo project, implementing AI sim to real life, building an autonomous vehicle. I even made an flappy bird AI that reached a score of 340!
